

Docket No. SC-01-05

IN THE SPECIFICATION

The specification is sought to be amended, by adding new paragraphs, as follows:

Please add, at page 8, after the paragraph stating, “**Figure 60** shows the results of a linear filter,” the following two new paragraphs:

Figure 61 shows an example downhole tool schematic, consistent with an embodiment of the present innovations.

Figure 62 shows an example downhole tool schematic, consistent with an embodiment of the present innovations.

Amendment – Serial No. 10/036,105.....Page 7
